Dear Jack,

The purpose of this letter is to express our deep appreciation to you, Brandenburg Homes LLC and the entire team of artisans who played a vital role in the design and construction of our new home.

Vicki and I have owned five homes in five different cities. Our lifelong dream was to one-day own a custom built home. As empty nesters it was apparent that the "lifestyle home" design was the perfect solution to our evolving needs.

We could not have selected a better custom homebuilder. We have been so impressed with Brandenburg Home's professionalism, knowledge and attention to detail.

From the start it was readily apparent that you and your entire organization took to heart the belief that, first and foremost, you represent your client.

Brandenburg Homes has honored every representation they have made every step of the way.

Were we to have the need for a custom homebuilder at a future date we would not hesitate to choose Brandenburg Homes LLC.
